**PARTIES ARE INVITED TO UPDATE THE RECORD PERTAINING TO PENDING  
PETITIONS FOR ELIGIBLE TELECOMMUNICATIONS CARRIER DESIGNATIONS**

**CC Docket No. 96-45**

**Supplemental Petition Due Date: 21 days from publication in the Federal Register**

**Comment Date: 35 days from publication in the Federal Register**

**Reply Comment Date: 42 days from publication in the Federal Register**

Interested parties are invited to update the record pertaining to pending petitions for designation as eligible telecommunications carriers (ETCs) filed pursuant to section 214(e)(6) of the Communications Act of 1934, as amended (the Act).<sup>1</sup> On January 22, 2004, the Commission released the *Virginia Cellular Order*, which granted in part and denied in part, the petition of Virginia Cellular, LLC to be designated as an ETC throughout its licensed service area in the Commonwealth of Virginia.<sup>2</sup> In that Order, the Commission utilized a new public interest analysis for ETC designations and imposed ongoing conditions and reporting requirements on Virginia Cellular.<sup>3</sup> The Commission further stated that the framework enunciated in the *Virginia Cellular Order* would apply to all ETC designations for rural areas pending further action by the Commission.<sup>4</sup>

Following the framework established in the *Virginia Cellular Order*, on April 12, 2004, the Commission released the *Highland Cellular Order*, which granted in part and denied in part the petition of Highland Cellular, Inc. to be designated as an ETC in portions of its licensed

Jan. 22, 2004) (*Virginia Cellular Order*).

service area in the Commonwealth of Virginia.<sup>5</sup> In the *Highland Cellular Order*, the Commission concluded, among other things, that a telephone company in a rural study area may not be designated as a competitive ETC below the wire center level.<sup>6</sup>

In light of the new standards and requirements set forth in the *Virginia Cellular Order* and the *Highland Cellular Order*, parties seeking ETC designation may wish to supplement previously filed pending ETC petitions, petitions for redefinition of service areas, and applications for review related to ETC designations. For this reason, parties that have pending petitions for ETC designation and petitions concerning related proceedings are asked to supplement their petitions with any new information or arguments they believe relevant. If applicable, parties should also demonstrate how they satisfy the Commission's requirements with regard to non-rural areas in which they seek ETC designation, as well as how they satisfy the Commission's requirements with regard to rural areas in which they seek ETC designation. The refreshed record will facilitate appropriate consideration of pending ETC petitions and related proceedings in light of the *Virginia Cellular* and *Highland Cellular Orders*. A list of currently pending ETC petitions and related proceedings are set forth in the attached appendix.<sup>7</sup>

Pursuant to sections 1.415 and 1.419 of the Commission's rules, 47 C.F.R. §§ 1.415, 1.419, parties may supplement their petitions and applications no later than **21 days after publication of this Public Notice in the Federal Register**. This initial round is solely for the purpose of allowing parties to supplement their own petitions and applications. Comments and reply comments, which may be filed by all interested parties, are due no later than **35 days and 42 days after publication of this Public Notice in the Federal Register**, respectively. Comments may be filed using the Commission's Electronic Comment Filing System (ECFS) or by filing paper copies.<sup>8</sup> Parties should clearly specify in the caption of all filings the petition(s) and application(s) to which their filing relates.

Comments filed through the ECFS can be sent as an electronic file via the Internet to <<http://www.fcc.gov/e-file/ecfs.html>>. Generally, only one copy of an electronic submission must be filed. If multiple docket or rulemaking numbers appear in the caption of this proceeding, however, commenters must transmit one electronic copy of the comments to each docket or rulemaking number referenced in the caption. In completing the transmittal screen, commenters should include their full name, U.S. Postal Service mailing address, and the applicable docket or rulemaking number. Parties may also submit an electronic comment by Internet e-mail. To get filing instructions for e-mail comments, commenters should send an e-

The Commission’s contractor, Natek, Inc., will receive hand-delivered or messenger-delivered paper filings for the Commission’s Secretary at 236 Massachusetts Avenue, N.E., Suite 110, Washington, D.C. 20002. Pursuant to section 1.1206 of the Commission’s rules, 47 C.F.R. § 1.1206, this proceeding will be conducted as a permit-but-disclose proceeding in which *ex parte* communications are permitted subject to disclosure.
